

## **News Letter to Parents**

Hello Parents and Guardians!

I am Mr. Stevens, your child's physical education teacher for this semester. I am looking forward to a great time with your children playing games, learning about nutrition, and other physical activities that will hopefully follow your children into the rest of their lives. Physical education is very important to me and I hope to model that for your children in the weeks to come.

Please feel free to contact me for any reasons or concerns you will have through out the year. I am very flexible and understanding in many situations when I am contacted and notified ahead of time of any situation. Please feel welcome to contact me at my school phone or email with any questions or concerns you may have.
